Booth cleaning is NOT part of your booth package. If you would like your booth cleaned each night, services must be ordered.

If you plan to serve food and/or beverage in your booth, it is required that you order Periodic Porter Service.

The official cleaning contractor is United National Maintenance and provides all of your needs for event cleaning services. No other cleaning companies are allowed on the show floor except for initial wipe down. Booth cleaning is performed each night at the Exhibitor's expense. Any requests for Booth Cleaning once on Show Site must be done in person at the Service Desk. Booth Cleaning will not be performed if the plastic is not removed from your booth area the night before show opens.

Floor Cleaning charges are based on the size of your BOOTH in Square Feet with a 100 sq ft minimum. If your show is based in Square Meters, please convert to Square Feet before submitting. To order this service, multiply the Square Feet by the price per Square Foot then by the number of days you will require the service. (Example: 100 SQ FT X \$.33 X 3 days = \$96) Cleaning times vary and are based on the show schedule. Please refer to your General Service Contractor for trash cans, MGMRI does not provide these items.
